June Monthly Actions: Agency Took Licensure Action against Five Providers, One Additional Provider Terminated from the Medicaid Program

TALLAHASSEE, Fla. – The Agency for Health Care Administration (Agency) issued final orders to four providers for failure to meet licensure requirements in June.

There were two final orders to deny a license renewal and two final orders to deny a Change of Ownership (CHOW). Some of these providers were enrolled in the Medicaid program and the Agency has terminated or is in the process of terminating their participation in the program.

The Agency also issued an Emergency Suspension Order to Miracles House, Inc., dba Amazing Wonders, an assisted living facility in Miami-Dade County.

In addition, one provider was issued a final order terminating them from participation in the Medicaid program and has been reported to the federal government for placement on the federal exclusion list, which prohibits them from participating in Medicaid and Medicare nationwide.

Agency Medicaid terminations and suspensions typically result from failure to return funds due to the Agency within required timeframes; a charge, indictment, or guilty plea to a health care related crime; suspension, termination, or exclusion from Medicare or Medicaid in another state; or a license denial, revocation, suspension or termination by the licensing agency.
