Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

ST - Q0000 - Initial Comments

Title Initial Comments

Statute or Rule

Type Memo Tag

Regulation Definition

Interpretive Guideline

These guidelines are meant solely to provide guidance to surveyors in the survey process.

ST - Q0100 - License Required

Title License Required

Statute or Rule 400.905(1); 59A-13.004(3)

Type Rule

Regulation Definition

Interpretive Guideline

400.905(1), FS

In addition to the requirements of part II of chapter 408, separate licenses are required for PPEC centers maintained on separate premises, even though they are operated under the same management. Separate licenses are not required for separate buildings on the same grounds.

59A-13.004(3), FAC

Separate licenses are required for buildings located on separate premises.

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

ST - Q0160 - Administrative Fines

Title Administrative Fines

Statute or Rule 400.908(1)(a) & (c)

Type Rule

Regulation Definition

Interpretive Guideline

400.908 (1)

(a) If the agency determines that a PPEC center is not in compliance with this part, part II of chapter 408, or applicable rules, the agency may request that the PPEC center submit a corrective action plan that demonstrates a good faith effort to remedy each violation by a specific date, subject to the approval of the agency.

(c) The failure to correct a violation by the date set by the agency, or the failure to comply with an approved corrective action plan, is a separate violation for each day such failure continues, unless the agency approves an extension to a specific date.

ST - Q0195 - Closing a PPEC Center

Title Closing a PPEC Center

Statute or Rule 400.912

Type Rule

Regulation Definition

Interpretive Guideline

Closing of a PPEC center.-Whenever a PPEC center voluntarily discontinues operation, it shall, at least 30 days before the discontinuance of operation, inform each child ' s legal guardian of the fact and the proposed time of such

If a center notifies the agency of closure verify each child ' s legal guardian received notification of the closure.

Agency for Health Care Administration

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

discontinuance.

ST - Q0200 - Admission Criteria

Title Admission Criteria

Statute or Rule 59A-13.007(4)(a)-(d) 1-2

Type Rule

Regulation Definition

(4) Each child admitted for service to a PPEC center must meet at least the following criteria:

(a) Infants and children considered for admission to the PPEC center will be those who are medically or technologically dependent.

(b) The infants and children must not, prior to admission, present significant risk of infection to other children or personnel. The medical and nursing directors must review, on a case-by-case basis, any child with a suspected infectious disease to determine appropriateness of admission.

(c) The child must be medically stabilized, require skilled nursing care, or other interventions, and be appropriate for outpatient care.

(d) If the child meets the preceding criteria, the medical or nursing director of the PPEC center must implement a preadmission plan which delineates services to be provided and appropriate sources for such services.

1. If the child is hospitalized at the time of referral, pre-admission planning will include the parents or guardians, relevant hospital medical, nursing, social services and developmental staff to assure that the hospital discharge plans will be implemented upon admission to the PPEC center.

2. A consent form outlining the purpose of a PPEC center, family responsibilities, authorized treatment and appropriate liability release, and emergency disposition plans must be signed by the parents or guardians and witnessed prior to admission to the PPEC center. The parents or guardians must

Interpretive Guideline

Verify during record review that each child admit meets the admission criteria.

Are parents or guardians included in the admission process?

Agency for Health Care Administration
ASPEN: Regulation Set (RS)

Printed 11/03/2016

Page 4 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

be provided a copy of the consent form. A copy of the signed consent form must be maintained in the child's medical record. Confidentiality of the PPEC records must be maintained in accordance with applicable state and federal laws.

ST - Q0210 - License Procedure - Census

Title License Procedure - Census

Statute or Rule 59A-13.004(4)

Type Rule

Regulation Definition

Licensees must not operate a PPEC center with a census greater than the number of children indicated on the face of the license.

Interpretive Guideline

Verify the posting of the center license and the capacity.

ST - Q0220 - License Procedure - Other entity

Title License Procedure - Other entity

Statute or Rule 59A-13.004(6)

Type Rule

Regulation Definition

No other licensed or certified health care or business entity may be located within a PPEC center.

Interpretive Guideline

Is there a business entity or health care center located within the confines of the PPEC center?

ST - Q0230 - Admin & Mgmt - Administrator Delegate

Title Admin & Mgmt - Administrator Delegate

Statute or Rule 59A-13.005(3)(b)

Type Rule

**Agency for Health Care Administration
ASPEN: Regulation Set (RS)**

Printed 11/03/2016

Page 5 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

Regulation Definition

The center administrator must designate in writing a person to be responsible for the center when the administrator is absent from the center for more than 24 hours.

Interpretive Guideline

If the administrator is absent from the center for more than 24 hours verify who is the delegate.

ST - Q0240 - Admin & Mgmt - Maintain Records

Title Admin & Mgmt - Maintain Records

Statute or Rule 59A-13.005(3)(c)1

Type Rule

Regulation Definition

Maintain the following written records and any other records required by Section 400.914, F.S., and these rules. The records must be kept in a place, form, and system in accordance with medical and business practices and available in the center for inspection by the Agency during normal business hours:

Interpretive Guideline

Are the facility records kept in a place, form, and system in accordance with medical and business practices and available for Agency staff review?

ST - Q0250 - Admin & Mgmt - Census Records

Title Admin & Mgmt - Census Records

Statute or Rule 59A-13.005(3)(c)1a

Type Rule

Regulation Definition

A daily census record, which must indicate the number of children currently receiving services in the center;

Interpretive Guideline

Does the census match the number of children receiving services at the time of the survey?

Agency for Health Care Administration
ASPEN: Regulation Set (RS)

Printed 11/03/2016

ST - Q0260 - Admin & Mgmt - Accident/Incident Records

Title Admin & Mgmt - Accident/Incident Records

Statute or Rule 59A-13.005(3)(c)1b

Type Rule

Regulation Definition

A record of all accidents or unusual incidents involving any child or staff member that caused, or had the potential to cause, injury or harm to any person or property within the center. Such records must contain a clear description of each accident or incident, the names of the persons involved, a description of all medical or other services provided to these persons specifying who provided such services, and the steps taken, to prevent recurrence of such accident or incidents in the future;

Interpretive Guideline

What is the centers system of record keeping for accident and unusual incidents?
Does the center have a policy? If so review the policy.
During record review verify if any child had an accident or unusual incident, if do verify the centers documentation of the accident or unusual incident.

ST - Q0270 - Admin & Mgmt - 3rd Party Agreement Records

Title Admin & Mgmt - 3rd Party Agreement Records

Statute or Rule 59A-13.005(3)(c)1c

Type Rule

Regulation Definition

A copy of current agreements with third party providers;

Interpretive Guideline

If the center has agreements with third party providers, verify if the agreements are current.

ST - Q0280 - Admin & Mgmt - Consultant Records

Title Admin & Mgmt - Consultant Records

Statute or Rule 59A-13.005 (3)(c)1d

Type Rule

**Agency for Health Care Administration
ASPEN: Regulation Set (RS)**

Printed 11/03/2016

Page 7 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

Regulation Definition

A copy of current agreements with each consultant employed by the center and documentation of each consultant ' s visits and required written, dated reports;

Interpretive Guideline

Verify the current agreements with all the centers consultants.

During record review verify if the consultant ' s notes are current and dated.

ST - Q0290 - Admin & Mgmt - Employee Personnel Records

Title Admin & Mgmt - Employee Personnel Records

Statute or Rule 59A-13.005 (3)(c)1e

Type Rule

Regulation Definition

A personnel record for each employee, which must include: a current copy of a Florida certificate and/or license, as applicable; the original employment application, references, employment history for the preceding five (5) years if applicable; and a copy of all job performance evaluations;

Interpretive Guideline

During review of a sample of personnel files verify the files contain the required information.

ST - Q0300 - Admin & Mgmt - Employee Job Descriptions

Title Admin & Mgmt - Employee Job Descriptions

Statute or Rule 59A-13.005(3)(c)2

Type Rule

Regulation Definition

Develop and maintain a current job description for each employee.

Interpretive Guideline

During review of a sample of personnel files verify each employee has a current job description.

ST - Q0310 - Admin & Mgmt - Personnel Policies

Title Admin & Mgmt - Personnel Policies

Statute or Rule 59A-13.005 (3)(c)3

Type Rule

Regulation Definition

Provide each employee access to written personnel policies governing conditions of employment.

Interpretive Guideline

Interview employees of the center to verify if they have access to the facility policies?

ST - Q0315 - Admin & Mgmt - Performance Evaluations

Title Admin & Mgmt - Performance Evaluations

Statute or Rule 59A-13.005(3)(c)4

Type Rule

Regulation Definition

Conduct annual written job performance evaluations that note strengths and weaknesses and include plans to correct any job performance weakness. Performance evaluations must be reviewed with the employee

Interpretive Guideline

During review of a sample of personnel files verify if center employees receive annual performance evaluations and provided to the employee.

ST - Q0320 - Admin & Mgmt - Infection Control Policies

Title Admin & Mgmt - Infection Control Policies

Statute or Rule 59A-13.005(3)(c)7

Type Rule

Regulation Definition

Develop and implement infection control policies and procedures. These policies and procedures must be included in

Interpretive Guideline

Ask for the centers policy and procedure for infection control. Is the policy and procedures included in the centers policy manual?

Agency for Health Care Administration

the PPEC center ' s policy manual.

ST - Q0330 - Admission, Transfer & Discharge Policies

Title Admission, Transfer & Discharge Policies

Statute or Rule 59A-13.007(1)

Type Rule

Regulation Definition

Each PPEC center must have written policies and procedures governing the admission, transfer, and discharge of children

Interpretive Guideline

Review the centers policies and procedures for admission, transfer and discharge of children.

ST - Q0345 - Child Care Policies

Title Child Care Policies

Statute or Rule 59A-13.008(1-3)

Type Rule

Regulation Definition

- (1) Each PPEC center must develop, implement, and maintain written policies and procedures governing all child care and related medical or other services provided.
- (2) Child care policies and procedures must be developed, maintained and implemented by a group of professional PPEC center staff personnel comprised of at least the medical director or medical consultant, the center ' s administrator, and the director of nursing services. All child care policies and procedures must be reviewed at least annually and revised as needed.
- (3) The child care policies and procedures developed must, at a minimum, ensure compliance with the provisions of Section 400.914, F.S., and the standards contained in these rules.

Interpretive Guideline

- Verify the centers policy and procedures that govern child care and medical services.
- Verify polices were developed by center staff to include medical director, consultant, center administrator and director of nursing.
- Are the policies reviewed annually and revised as needed?

ST - Q0350 - Medical Director

Title Medical Director

Statute or Rule 59A-13.009(1-8), F.A.C.

Type Rule

Regulation Definition

A board certified pediatrician must serve as the medical director for the PPEC center. Responsibilities of the medical director include:

- (1) Periodic review of services to assure acceptable levels of quality of care and services.
- (2) Maintenance of a liaison role with the medical community.
- (3) Advisement on the development of new programs and modifications of existing programs.
- (4) Assurance that medical consultation will be available in the event of the medical director's absence.
- (5) Serving on committees as defined and required by these rules and by the center's policies.
- (6) Consulting with the center's administrator on the health status of the center's personnel.
- (7) Reviewing reports of all accidents or unusual incidents occurring on the premises and identifying to the center's administrator hazards to health and safety.
- (8) Development and implementation of a policy and procedure for the delivery of emergency services and the delivery of regular physician's services when the child's attending physician or designated alternative is not available

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

Regulation Definition

Direct care personnel staffing standards. For the purposes of this subsection, other direct care personnel include: nursing assistants, nursing assistants certified pursuant to Chapter 464, F.S., patient care technicians, medical assistants, Emergency Medical Technicians (EMT) licensed pursuant to Chapter 401, F.S., and individuals with training and experience in education, social services or child care related fields.

Interpretive Guideline

What are the specific qualifications for direct care personnel staff?

ST - Q0470 - Nursing Services- Other Direct Care Staff Req

Title Nursing Services- Other Direct Care Staff Req

Statute or Rule 59A-13.010(5)a-b

Type Rule

Regulation Definition

- (a) Direct care personnel must meet the following requirements:
1. Have one (1) year experience in the care of infants and toddlers,
 2. Employment references documenting skill in the care of infants and children, and
 3. Hold a current certification in CPR.
- (b) Direct care personnel must work under the supervision of the registered nurse and be responsible for providing direct care to PPEC center children.

Interpretive Guideline

During personnel review verify direct care staff meeting the required qualifications.
Interview direct care staff to verify their duties.

ST - Q0475 - Nursing Services - Total Staffing Ratios

Title Nursing Services - Total Staffing Ratios

Statute or Rule 59A-13.010(6)

Type Rule

**Agency for Health Care Administration
ASPEN: Regulation Set (RS)**

Printed 11/03/2016

Page 16 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

Regulation Definition

Total staffing for nursing services and direct care must, at a minimum, meet the following ratios:

Children Total Staff RN RN or LPN Direct Care, or Licensed Nurse (RN or LPN)

1	1	1		
2-6	2	1		1
7-9	3	1	1	1
10-12	4	1	1	2
13-15	5	2	1	2
16-18	6	2	1	3
19-21	7	2	2	3
22-24	8	2	2	4
25-27	9	3	2	4
28-30	10	3	2	5
31-33	11	3	3	5
34-36	12	3	3	6
37-39	13	4	3	6
40-42	14	4	3	7
43-45	15	4	4	7

If the PPEC center has a census of more than 45 children, the staffing must increase by one staff for every three (3) children alternating between a direct care staff and licensed nurse.

Interpretive Guideline

Please refer to Chapter 13-010(6) for the complete nursing services and direct care ratio chart.

ST - Q0480 - In-Service Training - Staff Requirements

Title In-Service Training - Staff Requirements

Statute or Rule 59A-13.013(1)(a-c)

Type Rule

Regulation Definition

Each PPEC center must develop staff, parent and guardian

Interpretive Guideline

Verify during record review and interviews that the center has staff, parent and guardian training programs.

Agency for Health Care Administration
ASPEN: Regulation Set (RS)

Printed 11/03/2016

Page 17 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

training programs.

What elements are included in the training programs?

- (1) Staff training must include;
- (a) Quarterly staff development programs appropriate to the category of personnel.
 - (b) Documentation of all staff development programs, and required participation.
 - (c) Current CPR certification for all staff.

ST - Q0490 - In-Service Training Orientation

Title In-Service Training Orientation

Statute or Rule 59A-13.013(2-3)

Type Rule

Regulation Definition

(2) Each new employee will participate in orientation to acquaint the employee with the philosophy, organization, program, practices, and goals of the PPEC center.

(3) A comprehensive orientation to acquaint the parent or guardian with the philosophy and services will be provided at the time of the child's admission to the PPEC center.

Interpretive Guideline

During personnel record reviews, verify the training and orientation provided to new employees.
Interview parents or guardians about the orientation they received to the center during admission.

ST - Q0500 - Medical Records

Title Medical Records

Statute or Rule 59A-13.014(1-5)

Type Rule

Regulation Definition

(1) A medical record must be developed at the time of admission, must be maintained for each child, signed by authorized personnel and contain at least the following:

- (a) A medical plan of treatment and a nursing protocol of care.

Interpretive Guideline

During sampled record reviews verify the medical records on each child include the required elements.
Interview staff if unable to locate required information in the medical records.

Agency for Health Care Administration
ASPEN: Regulation Set (RS)

Printed 11/03/2016

Page 18 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

- (b) All details of the referral, admission, correspondence and papers concerning the child.
- (c) Physician orders.
- (d) Flow chart of medications and treatments administered.
- (e) Concise, accurate information and initialed case notes reflecting progress toward achievement of care goals or reasons for lack of progress.
- (f) Documentation of nutritional management and special diets, as appropriate.
- (g) Documentation of physical, occupational, speech and other special therapies.
- (2) The individualized nursing care protocol must be developed within ten (10) working days of admission. The protocol must be reviewed monthly and revised quarterly, and include any recommendations and revisions to the plan based on consultation with other professionals involved in the child ' s care.
- (3) Medical history, including allergies and special precautions.
- (4) Immunization record.
- (5) A discharge order written by the primary physician will be documented and entered in the child ' s record. A discharge summary, which includes the reason for discharge, will also be included.

ST - Q0510 - Quality Assurance Comm - QA Program

Title Quality Assurance Comm - QA Program

Statute or Rule 59A-13.015

Type Rule

Regulation Definition

All PPEC centers must have a quality assurance program and must conduct quarterly reviews of the PPEC center's medical records for at least half of the children served by the PPEC center at the time of the quality assurance review. The

Interpretive Guideline

Interview the center administrator to determine the centers quality assurance program. Verify the two staff who conduct the quarterly reviews.

Agency for Health Care Administration
ASPEN: Regulation Set (RS)

Printed 11/03/2016

Page 19 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

quarterly review sample must be randomly selected so each child served at the center has an equal opportunity to be included in the review.

ST - Q0520 - Quality Assurance Comm - Membership

Title Quality Assurance Comm - Membership

Statute or Rule 59A-13.015(1)

Type Rule

Regulation Definition

The quality assurance committee must include the following: the medical director, administrator, director of nursing, and three (3) other committee members as determined by each PPEC center.

Interpretive Guideline

Verify who is included in the quality assurance committee.

ST - Q0530 - Quality Assurance Comm - QA Review

Title Quality Assurance Comm - QA Review

Statute or Rule 59A-13.015(2)

Type Rule

Regulation Definition

The quality assurance review will be conducted by two (2) members of the quality assurance committee. Within 15 calendar days of its review, the quality assurance committee must furnish copies of its report to the PPEC center medical and nursing directors.

Interpretive Guideline

During interview verify the centers process for communicating the outcome of the quality assurance reviews.

Regulation Definition

Interpretive Guideline

(7) Children suspected of having a communicable disease, which may be transmitted through casual contact, as determined by the center ' s medical director, must be isolated; the parents or guardians must be notified of the condition; and the child must be removed from the PPEC center as soon as possible. When the communicable disease is no longer present, as evidenced by a written physician ' s statement, the child may return to the PPEC center.

(8) PPEC center staff members suspected of having a communicable disease must not return to the PPEC center until the signs and symptoms related to the communicable disease are no longer present, as evidenced by a written physician ' s statement.

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

inspection report, conducted by the local authority having jurisdiction over fire safety or the State Fire Marshal, must be on file at the PPEC center. Documentation of a satisfactory fire safety inspection shall be provided at the time of the licensee ' s annual survey

ST - Q0620 - Fire Safety/Emerg Proc - Working Telephone

Title Fire Safety/Emerg Proc - Working Telephone

Statute or Rule 59A-13.022(2)

Type Rule

Regulation Definition

There must be a working telephone, which is neither locked nor a pay station, in the PPEC center

Interpretive Guideline

ST - Q0630 - Fire Safety/Emerg Proc - Telephone Numbers

Title Fire Safety/Emerg Proc - Telephone Numbers

Statute or Rule 59A-13.022(3)

Type Rule

Regulation Definition

Emergency telephone numbers must be posted on or in the immediate vicinity of all telephones

Interpretive Guideline

Verify where the center posts the emergency phone numbers.

ST - Q0640 - Fire Safety/Emerg Proc - Generator

Title Fire Safety/Emerg Proc - Generator

Statute or Rule 59A-13.022(4)

Type Rule

**Agency for Health Care Administration
ASPEN: Regulation Set (RS)**

Printed 11/03/2016

Page 24 of 24

Aspen State Regulation Set: Q 2.01 Prescribed Pediatric Ext Care

Regulation Definition

An emergency generator must exist, with sufficient generating power to continue function of medical equipment in the event of a power failure. The emergency generator must be tested every 30 days and satisfactory mechanical operation must be documented on a log designed for that purpose and signed by the person conducting the test

Interpretive Guideline

Does the facility have a working generator?
Is it being tested every 30 days and documented? Who is testing the generator?

ST - Q0650 - Fire Safety/Emerg Proc - Transportation

Title Fire Safety/Emerg Proc - Transportation

Statute or Rule 59A-13.022(5)

Type Rule

Regulation Definition

Emergency transportation must be performed by a licensed E.M.S. provider, with a PPEC center staff member accompanying each child.

Interpretive Guideline

Verify if during emergency transportation the child is accompanied by a center staff member.

ST - Q0660 - Fire Safety/Emerg Proc - First Aid & CPR Kit

Title Fire Safety/Emerg Proc - First Aid & CPR Kit

Statute or Rule 59A-13.022(6)

Type Rule

Regulation Definition

The PPEC center must have an emergency kit available to provide basic first aid and cardiopulmonary resuscitation

Interpretive Guideline

Verify if the center has available an emergency kit and if the kit is available to all employees at the center.
What does the center include in their emergency kit?
