

RECAP: Data Standards and Transparency Workgroup Discussion

FloridaHealthFinder Quality Measures

Issue: AHRQ delayed the update of quality measures which affects current measures on FloridaHealthFinder; AHRQ needs one year of ICD-10-CM data to validate methodology

9/26 Data Standards and Transparency Discussion:

Take-away and Research Findings

Wait to see when measures will be updated;
remove measures from FHF

AHRQ Quality Indicator All-Payer Risk Adjusted software anticipated in **Summer 2019**
