

The Florida ESRD Network

NETWORK 7 ALERT

HURRICANE MICHAEL

Tracking Displaced Transient Dialysis Patients

The Florida ESRD Network is continuing to track the location of dialysis patients who have evacuated. If you receive a transient dialysis patient who has evacuated from the Big Bend or Panama City area, due to Hurricane Michael, please notify the Network as soon as possible via phone 813-383-1530 or fax 813-354-1514. **DO NOT EMAIL PATIENT INFORMATION TO THE NETWORK.**

Please be prepared to provide the following information:

- Patient name
- Patient Date of Birth
- Facility evacuated from (if available)
- Local contact information for the patient

You may also call the following numbers to determine which outpatient dialysis facilities are open and available to take patients in your area:

- DaVita: 800.400.8331
- Fresenius: 800.626.1297
- DCI: 866.424.1990
- ARA: 888.880.6867
- US Renal Care: 866.671.8772

Thank you for your assistance during this emergency and for your ongoing attention to the safety of ESRD patients.
