

Average Length of Stay for Residents in a State Mental Health Treatment Facility Discharged During
Fiscal Year 2011-2012

Average Length of Stay for Civil Residents

Facility	Average Length of Stay (in days)
FSH	599
NEFSH	1,029
SFSH	345
WFCCC	159

The average length of stay for civil residents includes a number of individuals who were residents for many years. Facilities have been focusing on discharging “long term” residents, which impacts this data.

Average Length of Stay for Forensic Residents

Facility	ITP Average Length of Stay (in days)*	NGI Average Length of Stay (in days)
FSHF	189	653
NFETC	145	1,054
SFETC	154	384
TCFTC	149	267
FSHC	570	619
NEFSH	514	1,006
SFSH	515	1,026

* Includes individuals found competent or discharged to the community as non-restorable.
